

## Amendment and Revision of National Flood Insurance Program Maps

For flood map questions or request for application to have your structure or property removed from the Special Flood Hazard area:

Call the Fema Map Assistance Center 877-336-2627 or use the below website:

[www.fema.gov](http://www.fema.gov)

From the home page, menu on the right, select "Flood Insurance Maps".

Scroll to information titled "Changes to Official Flood Maps." and select. Find the subject titled "Map Change Processes for Homeowners" and select Letter of Map Amendment (LOMA).

Forms are listed on the right side of the screen. If you are a single residential lot owner, you will need the MT-EZ form and usually an Elevation Certificate. These forms can be downloaded from the site.

List of licensed surveyors who work in Dickinson County is attached.

Below list of licensed land surveyors who normally work in Dickinson County.  
This is not intended as a complete list.
